

# Troy Hobbs

General Contractor

Troy Hobbs began his career in 1990, working for his father's company, Hobb's Log Homes and Construction until 1994. From 1995 until today, Troy has worked for himself in development and construction.

His work includes:

Over 90 full log home constructions

70+ conventional, single family constructions

Both 8-plex and 4-plex multi family apartments

8 commercial office spaces, both remodels and full construction

15 projects totaling between 5 and 15 million

## **EXPERIENCE**

### **Clear Sky Resorts – 2020 to Present**

Overseeing the project, building domes and other structures across the resorts.

### **Brookstone Livingston, Livingston Montana – 2020 to 2021**

Oversaw the construction an affordable housing development consisting of 18 four-plexes.

### **Tioga Apartments, Oregon – February 2019 to November 2020**

Managed the construction and framing of three 80,000 square foot multifamily apartment complexes with an 8.5 million dollar contract.

### **Lake Charles, Louisiana – 2019 to 2020**

Oversaw a historical building remodel of the largest building in Lake Charles.

### **North Dakota, Three Affiliated Tribes – June 2017 to April 2019**

General contractor for 60,000 square feet across four 8-plexes - a 6 million dollar project.

### **Williston ND & Fairview MT, Trailer Parks – 2013 to 2016**

Managed the development of three mobile home trailer parks, from infrastructure to finish. Cimarron Heights, Brookstone, and Fairview Estates - ranging from 80 to 320 dwellings.
